About The Fund

The Dickinson County Endowment Fund Advisory Council was formed in 2005 to coordinate and provide philanthropic support for community betterment projects in Dickinson County. This Fund was created in response to 2004 State of Iowa legislation and continues to receive annual State funding support in addition to donations from local residents, businesses and organizations.

DCEF is administered by a 9-member Advisory Council of Dickinson County residents and makes grants to I.R.S. 501(c)(3) 'tax exempt' organizations and 170(b) 'unit of government' organizations for the benefitting Dickinson County. Non-profit organizations without either status may apply by seeking a fiscal agent that does. **In thirteen years of grant-making, DCEF has awarded \$1,223,809** in grant funds by partnering with 87 non-profit organizations serving Dickinson County and supporting 335 projects!

Dickinson County Endowment Funds may be requested for projects affecting the quality of life or economic vitality of Dickinson County. These purposes include: charitable, civic, educational, patriotic, public, and religious. DCEF focus areas include: Conservation, Economic Development, Family Services, Housing, Natural Resources, Recreation, Transportation and Youth Services.

Grants are awarded based upon funds available each year, as determined by earnings and other contributions. In the 2019 granting cycle, approximately **\$94,000** will be available for distribution. Partial funding may be awarded for your project; if this is the case, you will be contacted to determine whether you will be able to carry out the project as described with additional funds from other sources.
